COCÒ

IT'S **TIME** FOR YOUR **FLIRT**

These sandals are inspired by Cocò Chanel,
who transformed simplicity in elegance, without putting aside the inspiration.

Cocò is 100% Made in Italy, with coloured PVC uppers and 8 cm high
polyurethane foam wedges that make this model light and comfortable.

It is perfect for those women who must stand for a long time,
without giving up a sober frivolity.

You can customize Cocò choosing from all our colour variants,
selecting those that most closely reflect your image,
with their simplicity and natural elegance.

FEMININE

Inspired by Cocò Chanel, who turned simplicity into elegance without forgetting inspiration, so this wedge gives grace to the wearer. The uncovered instep and the opening in the tip and in the heel, give charm and femininity.

COMFORT

The wide wedge is flexible and elastic, and it is 8 cm high, with a small plateau of 2,5 cm. With these features you can wear Cocò all day long: who said that we have to suffer to be beautiful never tried our Cocò!

COLOURS

The wide range of colours that we offer allows you to personalize your shoes with your favorite shades. You can have your Cocò in any colour of our colour chart, matching the upper that you love to the natural coloured sole.

MADE IN ITALY

Our shoes are entirely designed, manufactured and packed in Italy by Henry and Henry®. They are made of non-toxic and phthalate-free PVC in compliance with the safety standards.
