AGATA

IT'S **TIME** FOR YOUR **DANCE**

Agata is a new proposal for 2015 of sandal with plateau.

With Agata you will always be original and chic wherever you go.

This sandal is perfect for an enterprising and in step with the times woman.

Agata has an expanded polyurethane sole that guarantees lightness and flexibility.

The padded insole makes this sandal comfortable and usable for many hours
without giving up a sober frivolity.

The upper can be in flexible and resistant PVC or in hand-coloured leather.

Agata is 100% Made in Italy.

ROCK

Not the usual sandal, but a real rock-bomb! Bold, cheeky and unconventional, Agata perfectly matches with a bon-ton dress or with your more aggressive look.

COMFORT

The wide and anatomical sole gives extreme comfort and stability to this sandal. It is light and flexible, it reduces the impact with the ground and it is wearable for many hours. Agata is suitable for anyone who wants to look leaner, even if not used to wearing high heels!

The heel is 8 cm, the plateau is 5 cm.

COLOURS

The wide range of colours that we offer allows you to customize your shoes as you prefer. You can have your Agata in any colour of our colour chart, mixing the upper that you love to white or black sole.

MADE IN ITALY

Our sandals are entirely designed, manufactured and packed in Italy by Henry and Henry ®. The upper can be in flexible and resistant PVC, or in hand-coloured leather, the sole is made of non-toxic and phthalate-free PVC in compliance with the safety standards.
