CANDY

IT'S **TIME** FOR YOUR **TANGO**

Candy has been created to defuse the classic men's lace-up,
reinterpreting it with femininity and freshness.

It keeps the lightness, flexibility and strength that distinguish our products,
allowing the wearer not to give up a touch of colour
even during gloomy autumn days.

Also this model guarantees the quality of Made in Italy
and is made in PVC.

INNOVATIVE

The special composition in PVC makes Candy light, soft and resistant. Thanks to side holes, Candy has an excellent breathability and is wearable also for many hours.

IRONIC

Candy is the ironic, sporty-chic and feminine version of the classic and elegant lace-up shoe. In line with latest trends, it is always time to wear your Candy: you can complete your 'boyfriend outfit', you can give a funny touch to a bon ton dress or you can match this shoes in new ways according to your personality!

COLOURS

The wide range of colours that we offer allows you to customize your shoes as you prefer!
You can have your Candy in any colour in our colour chart,
and create new combinations matching different laces.

MADE IN ITALY

Our shoes are entirely designed, manufactured and packed in Italy by Henry and Henry®.
They are made of non-toxic and phthalate-free PVC
in compliance with the safety standards.
